

# SCENARIOS FOR OFFICIALS: TIMEKEEPING

## Scenario 1

Where would you stand to call lap times in a 3000m Steeplechase with an outside water jump?

Where would you stand to call lap times in a 2000m Steeplechase with an inside water jump?

## Scenario 2

You are asked to record lap times in a 3000m Steeplechase with an inside water jump. Which times should you record and at which point on the track?

## Scenario 3

In addition to recording lap times in a 1 mile race, which other time should be recorded?

## Scenario 4

You are at an Area Championships on an eight lane track, with Photo-finish in operation. There are six heats of the Senior Men's 100m, where qualifying to the semi-finals is first two from each heat, plus the next four fastest qualifying by time. The Photo-finish fails after two heats. How do you determine the qualifiers?
