

# Covid Roadmap 2021 for Athletics and Running

## Accessible format.

Updated 15<sup>th</sup> June 2021

This guidance might be updated in due course.

### Step 3.

From 17<sup>th</sup> May

- Athletics & running can take place for educational purposes (schools, childcare clubs, colleges, and universities).
- Outdoor & Indoor sport facilities can open.
- Formal organised outdoor athletics & running activity that is Covid-secure can take place for both children and adults.
- Formal indoor athletics & running activity that is Covid-Secure can take place for both children and adults.
- Outdoor unorganised activity (non-coached) can take place in groups of 30 or less.
- Indoor unorganised activity (non-coached) can take place in groups of 6 or less.
- Disabled people can take part in organised outdoor and indoor sport without being subject to social contact limits.
- Outdoor competition can take place (with a license).
- Outdoor intra club competition (without a license).
- Outdoor spectators; multiple groups of 30 or less (per venue capacity)
- Indoor spectators; multiple groups of 6 or less (per venue capacity)
- Accommodation/hotels are open allowing for two-day events and larger scale events are allowed with spectators.
- Travel; Plan ahead and travel safely where possible, for areas where the variant is spreading more quickly the advice is to minimise travel into and out of the affected areas. Please check the [UK Government](#) website for affected areas.

### Step 4.

No earlier than 19<sup>th</sup> July.

(UK Government to confirm 12<sup>th</sup> July)

- No legal limits on social contact.
- Club and competition can return to normal.
- Individual activity can return to normal.

PLEASE NOTE: The UK Government may update guidance as we progress through the four steps of the roadmap.
